To create-green cover, eco-friendly atmosphere, pure oxygen at the college campus, plantation program is organized every year with involving all students, director and all faculty members. Campus is located in the vicinity of various types of trees. Different species of trees are available in the college campus. Various tree plantation programs are being organized during the month of July and August at college campus. This program helps in encouraging eco-friendly environment which provides pure oxygen within the institute and awareness among villagers. Under the biodiversity and ecological survey. Rainwater harvesting plant is well maintained. College also maintained botanical garden in premises.
