ABOUT SAKET GYANPEETH

Established in 1994 with the motto "Nurturing Potential," Saket Gyanpeeth has been dedicated to providing quality, value-based education and selfless service to society for over 29 years. Under the visionary leadership of its Founder Chairman, Dr. Ram Ujagar Tiwari, the trust has evolved into a renowned educational conglomerate offering a comprehensive spectrum of education from school to doctoral studies. The Saket Gyanpeeth family comprises Saket Vidya Mandir English High School, Saket College of Arts, Science and Commerce (Junior and Degree), Saket College of Education (B.Ed.), Saket Institute of Nursing, and Pramod Ram Ujagar Tiwari Saket Institute of Management (PRUTSIM). Through its diverse academic offerings in Arts, Science, Commerce, Education, Nursing, Management, Computer Applications, and Research, the institution has consistently nurtured generations of students into competent professionals and responsible citizens. In addition to academic excellence, Saket Gyanpeeth actively promotes social welfare through scholarships, freeships, healthcare camps, and community development initiatives, reflecting its unwavering commitment to holistic education, social responsibility, and nation-building.

ABOUT PRUTSIM

Saket Gyanpeeth ventured into management education with the establishment of Pramod Ram Ujagar Tiwari Saket Institute of Management (PRUTSIM) in 2009, offering postgraduate programmes in Management (MBA/MMS). PRUTSIM is affiliated with the University of Mumbai and approved by the All India Council for Technical Education (AICTE) and the Directorate of Technical Education (DTE), Government of Maharashtra.

PRUTSIM has been recognized as a Research Center in Management by the University of Mumbai and has earned NAAC Accreditation from the academic year 2023–2024. Expanding its academic offerings, the institute also offers a full-time Master of Computer Applications (MCA) programme affiliated with the University of Mumbai, designed to equip students with advanced technical knowledge and industry-relevant skills.

The institute emphasizes holistic development through a blend of academic excellence, industry exposure, and skill enhancement. Regular guest lectures, industrial visits, workshops, seminars, and interactions with industry experts help bridge the gap between classroom learning and professional practice.

PRUTSIM also offers a wide range of value-added certification programmes in areas such as Digital Marketing, Data Analytics, SAP, HR Analytics, Entrepreneurship, NISM/NCFM, Six Sigma, and more. Specialized training in Corporate Communication, Placement Readiness, and Language Skills further enhances students' employability.

With strong industry linkages, a focus on research and innovation, and a commitment to ethical values, PRUTSIM continues to nurture competent professionals, innovative thinkers, and future leaders ready to excel in the dynamic world of business and technology.

VISION

To become a pioneer in Management Education by creating global leaders with strong ethical and social commitment".

CHAIRPERSON'S

Message

It gives me immense pleasure to welcome you to Saket Campus, a hub of learning, innovation, and transformation. In today's rapidly evolving educational landscape, institutions must continuously adapt to emerging trends, technological advancements, and global challenges. At Saket Gyanpeeth, we are committed to fostering a learning ecosystem that integrates academic excellence with skill development, research, and real-world applications.

The era of globalization, digitalization, and industry-driven advancements demands a proactive approach to education. To thrive in this dynamic environment, educational institutions must strategically evolve to prepare students for the complexities of the modern workforce. At PRUTSIM, we emphasize not only knowledge acquisition but also the development of critical thinking, leadership, and problem-solving abilities—skills essential for success in today's interconnected world.

Our focus remains on the continuous enhancement of teaching methodologies, faculty development, and the effective integration of technology to enrich the learning experience. By fostering interactive and participative pedagogy, we aim to make education more engaging and impactful.

Beyond academics, we recognize the importance of holistic development. We take pride in nurturing individuals who are not only academically proficient but also socially responsible and industry-ready.

I invite ambitious and aspiring students to be a part of this transformative journey at Saket Campus, where learning is a lifelong endeavor, and excellence is a way of life.

Warm regards,

Hon. Shri. Vinod R. Tiwari
Chairman, Saket Gyanpeeth

SECRETARY'S

Message

An educational institution serves as the foundation for a student's journey toward success. Since its inception, PRUTSIM has not only been an academic institution but a dynamic hub for holistic development, empowering students to turn their aspirations into achievements. At PRUTSIM, education goes beyond textbooks. We provide not just knowledge but also the right guidance to help students choose their path. Our curriculum is designed to equip them with essential life skills-communication, decision-making, leadership, problem-solving, and adaptability-crucial for personal and professional growth.

Our faculty members serve as mentors, guiding students beyond academics to help them build confidence, resilience, and industry readiness. With a strong emphasis on innovation, research, and experiential learning, we ensure that our students stay ahead in today's competitive world.

Our sincere and continuous efforts have led to remarkable placement success. Leading organizations regularly engage with us, not only for recruitment but also to provide industry insights that help us align our curriculum with future demands.

We welcome ambitious minds to PRUTSIM, where learning is an experience, and success is a journey.

Best regards,

Hon. Shri. Saket Tiwari
Secretary, Saket Gyanpeeth

C.E.O.'S

Message

It is my pleasure to welcome you to PRUTSIM, a centre of excellence dedicated to nurturing potential and transforming students into ethical and visionary leaders of the 21st century. Our mission is to equip future business professionals with the knowledge, skills, and values needed to drive organizational success while being responsible stewards of society and the environment.

At PRUTSIM, we offer a carefully curated blend of rigorous academics, industry exposure, experiential learning, and student-driven initiatives. Our programs are designed to align with evolving global trends, preparing students for dynamic sectors such as business analytics, energy, retail, telecommunications, media, and sports management.

We believe in fostering resilience, innovation, and ethical leadership, ensuring that our students are well-prepared to navigate the complexities of the modern business world. Through mentorship from experienced faculty, insights from global thought leaders, and hands-on learning experiences, we aim to create professionals who can build resilient organizations while upholding the highest corporate governance standards.

PRUTSIM is not just an institute; it is a transformative journey where you will develop lifelong skills, forge valuable connections, and gain the confidence to make a meaningful impact. We invite you to embark on this exciting path of learning, growth, and success.

Warm regards,

Mrs. Shobha Nair
CEO, Saket Gyanpeeth

DIRECTOR'S

Message

The current generation of young minds is the largest the world has ever seen, brimming with aspirations that must be met with a robust and forward-thinking education system. At PRUTSIM, we believe that quality education is the catalyst for human, social, and economic progress.

In today's rapidly evolving world, equity, accessibility, and skill enhancement are key to addressing the challenges of sustainable development. We recognize that educators play a pivotal role in shaping future leaders, and PRUTSIM takes pride in its distinguished faculty a dynamic blend of academic excellence and industry expertise.

With the right training, mentorship, and experiential learning, we transform students into industry-ready professionals individuals who not only meet but exceed the expectations of the global economy. Our focus is on cultivating a resilient mindset, adaptive skills, and a competitive edge to help students thrive in a dynamic business landscape.

A strong industry interface through seminars, workshops, alumni interactions, and industrial visits both in India and abroad-ensures that our students gain real-world business insights before they step into the corporate arena.

At PRUTSIM, we are committed to grooming future leaders with a strong foundation in ethics, integrity, and perseverance. Our mission is to foster holistic development-not just of individuals, but of institutions and society as a whole.

With unwavering confidence in our vision and efforts, I warmly welcome you to Saket Gyanpeeth's Pramod Ram Ujagar Tiwari Saket Institute of Management (PRUTSIM), where potential meets opportunity.

Warm regards,

Dr. P. Sanoj Kumar

Director, Pramod Ram Ujagar Tiwari Saket Institute of Management

DOCTORAL PROGRAMME

Pramod Ram Ujagar Tiwari Saket Institute of Management Research Centre, affiliated with the University of Mumbai, offers a Doctoral Programme in accordance with the guidelines and regulations of the University of Mumbai.

The primary objective of the Research Centre is to foster research and development activities, not only among the teaching faculty but also among professionals from the industry.

ELIGIBILITY CRITERIA

In line with the UCC Regulations of 2016, the following individuals are eligible to apply for the Ph.D. programme:

1. Master's Degree Holders

Candidates with a Master's Degree securing a minimum of 55% marks or equivalent grade. A relaxation of 5% (from 55% to 50%) or an equivalent grade relaxation is applicable for candidates belonging to SC/ST/OBC (non-creamy layer)/differently-abled categories, as per UCC norms.

2. Entrance test

Candidate should have cleared entrance test as applicable under University of Mumbai {PET/NET}.

Candidates with UGC-NET (including JRF), CSIR-NET, GATE, SET, or M.Phil. are exempted from PET.

Master of Computer Applications (MCA)

Programme Overview

The Master of Computer Applications (MCA) programme at Pramod Ram Ujagar Tiwari Saket Institute of Management is a two-year postgraduate degree designed to prepare students for successful careers in the rapidly evolving field of information technology. The programme focuses on developing technically competent professionals who can design, develop, and manage modern software applications and IT systems. At PRUSTIM, the MCA programme aims to nurture innovative thinking, analytical abilities, and practical skills, enabling students to meet the challenges of the digital and technology-driven world.

Programme Highlights

- Well-structured curriculum covering core and advanced areas of computer applications
- Strong emphasis on software development, programming, and database technologies.
- Exposure to emerging technologies and modern computing practices.
- Practical learning through laboratory sessions, live projects, and internships.
- Guidance from experienced faculty with academic and industry expertise.
- Advanced computer laboratories with modern infrastructure.
- Interactive and collaborative learning environment.
- Elective subjects offered as per university regulations and norms.

Eligibility Criteria

- Admission through MH-CET or as per applicable entrance examination norms
- Bachelor's degree from a recognized university with:
 - o Minimum 50% aggregate marks (45% for reserved category candidates)

Career Prospects

Graduates of the MCA programme from PRUSTIM are well-prepared for diverse roles in the IT and technology sector, including:

- Software Developer / Software Engineer
- Cybersecurity Analyst
- Artificial Intelligence and Machine Learning Professional
- Web and Application Developer, Project Coordinator / Project Manager

ADMISSION CRITERIA

Master of Computer Applications (MCA)

Admissions to the two-year full-time Master of Computer Applications (MCA) programme at Pramod Ram Ujagar Tiwari Saket Institute of Management (PRUSTIM) are conducted as per the guidelines and directives issued by the Directorate of Technical Education (DTE), Maharashtra State, from time to time.

Admission to the MCA programme is carried out through the Centralized Admission Process (CAP) conducted by the competent authority.

Eligibility Criteria

To be eligible for admission to the MCA programme, a candidate must fulfill the following conditions:

- The candidate must have passed a Bachelor's Degree of minimum three years duration from a recognized university, with at least 50% marks in aggregate (*45% marks in case of candidates belonging to reserved categories of Maharashtra State only*).
- The candidate must have studied Mathematics either at the 10+2 level or at the graduation level, as prescribed by the university and regulatory authorities.
- Candidates who have appeared for the final year examination of their Bachelor's degree may be considered for provisional admission, subject to passing the qualifying examination with the required percentage of marks.
- Admission will be subject to qualifying in the prescribed entrance examination (MH-CET or as notified) and fulfilling all norms laid down by DTE Maharashtra and the affiliating university.

Documents Required at the Time of Admission

Candidates selected for admission must produce original documents along with photocopies, including but not limited to:

- Bachelor's Degree Certificate
- Statement of Marks of the qualifying examination
- Passing Certificate
- CET Score Card
- Proof of Date of Birth
- Caste Certificate (if applicable)
- Domicile Certificate (if applicable)
- Any other document as prescribed by the competent authority or university

University Eligibility & Migration

- Candidates who have graduated from the University of Mumbai must submit a Transfer Certificate from the college or university last attended.
- Candidates who have completed their graduation from universities other than the University of Mumbai must submit:
 - o Provisional Statement of Eligibility issued by the Registrar, University of Mumbai
 - o Migration Certificate, wherever applicable

Fee Payment

Sr.No	Mandatory Subjects	Electives III (Any 1)
6	DevOps Lab	Green Computing & Sustainability
7	Advanced Web Technologies(AWT) Lab	Management Information System
8	User Interface Lab	Cyber Security
9	Networking with Linux Lab	Soft Computing
10	Mini Project – 1B	—

SEMESTER III

Sr.No	Mandatory Subjects	Electives IV (Any 1)
1	Big Data Analytics & Visualization	Computer Vision
2	Big Data Analytics & Visualization Lab	Deep Learning
3	Mobile Computing Lab	Distributed Systems & Cloud Computing
4	Research Project (RP)	Electives-V (Any 1)
5	Individual Social Responsibility (ISR)	Software Testing & Quality Assurance
6	Elective Lab	Ethical Hacking
7	—	Blockchain
8	—	Electives-VI (Any 1)
9	—	Design Thinking & Innovation Skills
		Digital Forensics
		Entrepreneurship Management

CURRICULUM OF MCA COURSE

SEMESTER IV

Sr. No.	Mandatory Subjects
1	Internship Project
2	Research Paper / Product / Patent
3	Massive Open Online Course (MOOC)

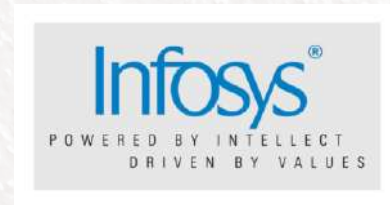

Note

- Electives shall be offered as per University norms and availability
- Curriculum is subject to revision by the affiliating university / regulatory authorities

INDUSTRY HIRING NETWORKS

INDUSTRY HIRING NETWORKS

“ HEAD CORPORATE RELATIONS

Message

In my capacity as PRUTSIM's Placement Officer, I take great pride in the outstanding accomplishments of our students and the strong relationships we have built with top businesses in a range of sectors. Our alumni have shown to be tremendous assets in the very competitive employment market because they have exhibited a unique blend of great skills, professionalism and adaptability over the years.

Our extensive training programs, which are painstakingly crafted to improve both technical and soft abilities, are a testament to our dedication to quality.

In order to make sure that our students are adequately equipped to handle the changing needs of the contemporary workplace, these programs are updated on a regular basis to reflect industry standards and new trends.

We emphasize industry collaborations heavily in addition to our demanding academic program. Through these collaborations, we are able to provide our students exceptional chances for practical projects, internships and real-world exposure-all of which are vital for their future careers. Our ability to provide our students with up-to-date knowledge of business processes and technology innovations, as well as a competitive edge, stems from our strong collaboration with leaders in the industry.

It gives me great satisfaction to see our pupils succeed. Their success is a tribute to their diligence and our consistent support, whether it is in landing highly sought-after jobs at esteemed firms or making important contributions to their fields of study. It is an honour to play a role in their career journeys and to see them thrive and excel in their professional lives.

Warm Regards,
Mr. Hari Rajai

TESTIMONIALS

**Shubham Shirkar**

Sr. Research Analyst - ICICI Securities

As an alumnus of PRUTSIM, my experience was transformative. The outstanding faculty and hands-on learning provided a strong foundation in management. The vibrant campus life helped me develop key skills, and I owe much of my career success to the education and support I received there.

**Ekta Pandey**

Sr. Manager, People & Process - Neural IT

I have had an amazing time studying at PRUI SIM, the comfortable study environment, friendly staff and wonderful resources. There are so many activities that you could participate in along the way to get more campus life experience. I am sure you will grow, improve yourself and become a better "you."

**Shobha Bhalerao**

Area Sales Manager - Raunak Group

I have had an amazing time studying at PRUI SIM, the comfortable study environment, friendly staff and wonderful resources. There are so many activities that you could participate in along the way to get more campus life experience. I am sure you will grow, improve yourself and become a better "you."

**Yash Nyss**

Area Sales Manager - Property Pistol

PRUTSIM gave extensive knowledge and a wide range of opportunities to expand my international as well as domestic corporate knowledge. The professors here are a great combination of mentors to the students and have always been supportive. PRUTSIM has helped me lock my hidden potential.

TESTIMONIALS

**Ramapati Tiwari**

Deputy Manager -Premier Acquisition Manager in Kotak Mahindra Bank

As an alumnus of PRUTSIM, my experience was transformative. The outstanding faculty and hands-on learning provided a strong foundation in management. The vibrant campus life helped me develop key skills, and I owe much of my career success to the education and support I received there.

**Aswathy Panicker**

HR Operations Executive at Intellect Bizware Services

PRUTSIM has been a truly enriching and transformative part of my professional journey. The supportive faculty, practical learning, and opportunities to organize events helped me develop strong leadership, communication, teamwork, and management skills. The knowledge and confidence I gained here continue to guide me in my career. I will always be grateful to PRUTSIM for shaping me into the professional I am today.

**Vineet Kale**

Associate-Internal Audit & Risk Advisory at JPMorgan Chase & Co

My journey at PRUTSIM has been truly enriching. The supportive faculty, practical learning, and opportunities to organize cultural events helped me develop leadership, teamwork, and communication skills. PRUTSIM gave me the confidence and foundation to begin my professional journey at JPMorgan Chase & Co. I will always be grateful for the experience and values I gained here.

**Nidhi Pawar**

Equity Dealer at Kedia Capital

I am thankful to PRUTSIM for providing an excellent learning environment and valuable career guidance. The faculty's mentorship and practical exposure helped me grow both professionally and personally. The knowledge, confidence, and industry-oriented learning I gained continue to support me throughout my professional journey. The experiences and values I developed at PRUTSIM have played a significant role in shaping my career and will continue to guide me in achieving future milestones.

INCUBATION CENTRE

WHERE IDEAS SOAR TO SUCCESS

Our Incubation Centre is more than just a facility, it's a dynamic ecosystem designed to fuel innovation, nurture entrepreneurial spirit, and transform ideas into successful ventures. Here, students gain access to essential resources, expert mentorship, and the guidance needed to bring their concepts to life.

In a rapidly evolving world, innovation is the key to progress. Our center offers a supportive environment where students can collaborate, experiment, and develop groundbreaking solutions. Whether you're working on a cutting-edge tech project, a social impact initiative, or a unique business model, our Incubation Centre is here to turn your vision into reality.

CENTRE OF EXCELLENCE

Pramod Ram Ujagar Tiwari Saket Institute of Management (PRUTSIM): A Pioneer in Robotics Education through MCA Studies.

Recognizing the growing importance of robotics and intelligent automation, PRUTSIM has emerged as a visionary institution committed to delivering industry-relevant and future-focused education. The institute understands that tomorrow's workforce requires much more than traditional computing knowledge. Students need practical exposure to advanced technologies that are transforming businesses worldwide.

Through its Master of Computer Applications (MCA) program, the institute is taking a pioneering step by integrating emerging technologies. This forward-thinking approach positions the institute as a market leader in preparing students for the challenges and opportunities of the digital economy.

What differentiates PRUTSIM from many other institutions is its commitment to practical and experiential learning. The institute emphasizes hands-on training, project-based learning, industry interactions, workshops, seminars, and real-world applications of robotics technologies. This ensures that students Post-Graduate with both theoretical knowledge and practical expertise.

The institute's focus on innovation and skill development aligns perfectly with the requirements of Industry. In MCA, students gain the opportunity to work on technologies that are shaping the future of business, manufacturing, healthcare, logistics, and smart infrastructure.

Another significant advantage is the institute's emphasis on employability and career readiness. Students are encouraged to participate in industry projects, technology competitions, research initiatives, and innovation-driven activities that enhance their professional competencies. Such exposure helps them develop critical thinking, problem-solving abilities, and technical proficiency required by leading employers.

PRUTSIM ensures that students remain ahead of the technological curve. Its commitment to academic excellence, innovation, industry collaboration, and future-oriented learning has established the institute as a preferred destination for students seeking advanced education in computer applications.

INDUSTRIAL VISIT

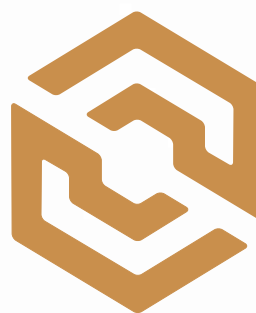

BSE, INDIA MARITIME WEEK & SAHYADRI FARMS, NASHIK

At PRUTSIM, experiential learning is an integral part of our academic approach. Our industrial visits provide students with valuable exposure to diverse industries and real-world business practices.

Students visited the Bombay Stock Exchange (BSE) to gain insights into capital market operations and the financial ecosystem. Participation in India Maritime Week offered exposure to the maritime, shipping, and logistics sectors, highlighting their significance in global trade. The visit to Sahyadri Farms, Nashik enabled students to understand modern agribusiness practices, supply chain management, and farmer-led business models.

These experiences help students connect classroom learning with industry realities, enhancing their practical knowledge, analytical abilities, and professional readiness.
