Report on blood donation camp.

Date: 20-12-2023

Venue: Library.

Summary:

The blood donation camp held at the Institute on December 20, 2023, witnessed enthusiastic participation from both students and faculty. Blood Donation camp in collaboration with Sir J.J. Mahanagar Raktpedhi (Blood Bank), Byculla, at college premises dated on 20th Dec 2023 from 9:00 am onwards under "Azadi ka Amrut Mahotsav. "

The event aimed to contribute to the community's blood supply and promote awareness about the importance of regular blood donation.

Outcomes:

- Successful collection of a substantial amount of blood units to support local hospitals.
- Raised awareness about the importance of voluntary blood donation within the Institute community.
- Strengthened ties with local healthcare organizations and blood banks.

Women's Day Celebration Report.

Date: 09-03-2024

Venue: Auditorium

Time: 11:00 am

Guest speaker: Ms. Priya Tekchandani

Guest: Dr. Neha Mishra (Naandi Foundation) and Fire Brigade Team.

Organized by: PRUTSIM (Women's development cell and IQAC initiative)

The guest lecture on “journey of entrepreneurship success “

Today, we celebrate the achievements and contributions of women throughout history and across the globe. It's a day to recognize the progress made towards gender equality, but also to reflect on the challenges that still exist and the work that remains to be done. International women's day has its roots in the early 20th century, with movements for women's rights and suffrage. It became an officially recognized day by the United Nations in 1975, marking a global effort to promote gender equality and women's empowerment. Celebrates the empowerment of women in all aspects of life – socially, economically, politically, and culturally. It's about recognizing women's agency and their ability to shape their own destinies. Is also a time for reflection, to acknowledge the progress that has been made in advancing women's rights and opportunities. But it's also an opportunity to reflect on the barriers and injustices that still exist, such as gender-based violence, discrimination, and unequal access to education and healthcare.

It's a reminder that the fight for gender equality is ongoing and requires collective effort. Whether it's advocating for policy changes, challenging stereotypes, or supporting women-led initiatives, everyone has a role to play in advancing gender equality. Take this opportunity to highlight the achievements of women in various fields – from politics and business to science,

technology, and the arts. Recognize the importance of representation and role models in inspiring future generations of women.

A workshop was also conducted on the beauty industry that covers a range of topics depending on the audience's interests and goals. Here are some ideas and areas that was discussed:

- **Introduction to Beauty Industry**
- **Beauty Trends and Consumer Behavior**
- **Product Development and Innovation**
- **Marketing and Branding**
- **Retail and Distribution**
- **Regulatory and Compliance**
- **Diversity and Inclusion**
- **Beauty Entrepreneurship**
- **Wellness and Sustainability**
- **Professional Skills Development**

Conclusion:

As we celebrate international women's day, let's reaffirm our commitment to gender equality and women's empowerment. Let's use this day not only to celebrate, but also to reflect, educate, and take action towards a more inclusive and equitable world for all genders.

Report on Tree Plantation activity on World Environment Day

Date: 05 June 2024

Venue: Campus Garden

Time: 3:00 pm- 05:00 pm

Every year on June 5th, the world observes World Environment Day, which provides a global forum for promoting environmental awareness and action. Our college held a significant campus tree planting initiative to commemorate the event this year. The purpose of the event was to improve the local greenery and encourage environmental sustainability.

The primary objectives of the tree plantation activity were:

- To raise awareness about the importance of trees in maintaining ecological balance.
- To involve students, faculty, and staff in environmental conservation efforts.
- To help enhance air quality and aid with the college campus's greening.

A group consisting of our dean, faculties and our green club members were a part of this activity. for planting. Key tasks included:

- Identifying a suitable location in campus for planting the saplings
- Selecting appropriate tree type that would thrive in the local climate.
- Arranging for the procurement of saplings and necessary items.
- Coordinating with our local guard for certain arrangements.

We then arranged 2 saplings, one jasmine and the other Tulsi. All the students and faculty then planted both the saplings in the college campus on June 5 between 03:00 to 5:00 pm. After planting we watered them with due care. This was a good initiative which could bring positive outcomes in the future. Feedback from participants was a positive one. Many students

expressed a desire to continue such activities and suggested additional environmental initiatives, such as waste recycling programs and water conservation efforts.

The World Environment Day tree planting event was a huge success and encouraged environmental care among college students. By working together, we can make a big difference in protecting the environment and encourage others to follow suit. Let us take care of our planet together, one tree at a time.
